# Salary Notification Letters for Faculty/Staff

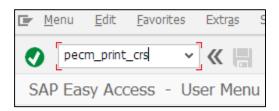

## Salary Notification Letters for Faculty and Staff

The letters can be printed from June 13, 2019 to June 28, 2019, after HR runs activation.

The Salary Notification Letters are for Faculty and Staff that are eligible for and included in the Enterprise Compensation Management (ECM) process (regular and base funded contract staff that were employed by NKU as of January 7, 2019 and meet the other criteria for eligibility). The completion of a PAR to continue employees included in the ECM process is not necessary.

Employees with work schedules of less than twelve months, temporary employees, grant funded employees, and employees with split funding/combination funding are not included in the ECM process and a PAR would be required to continue these employees in to FY 2019-2020. Departments must also prepare manual salary letters for these employees.

- 1. Log into myNKU
  - a. https://myNKU.nku.edu/irj/portal
- 2. Select the SAP GUI tab.
- 3. Enter transaction code, **pecm\_print\_crs** from the SAP Easy Access screen.

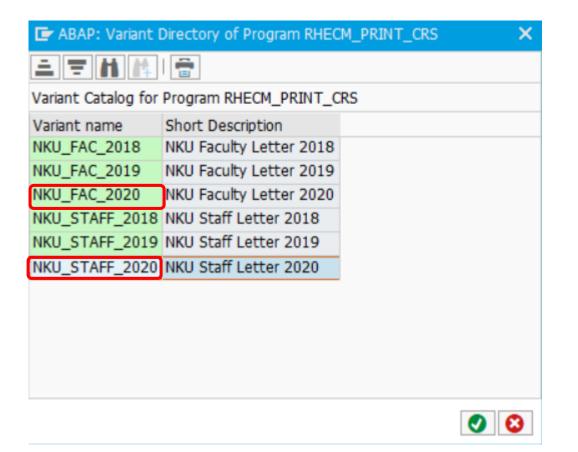

4. Click Get Variant, then click Execute.

**NOTE**: Select Variant **before** adding selection criteria otherwise criteria will be lost.

- 5. Select a Variant name (select the current year).
- 6. Click Continue.

7. Default values for Faculty Appointment and Staff Notification. This will print all the Faculty members within users authorized org unit(s).
