Create Supplemental Pay PAR

Purpose:

This form is used to create a new supplemental payment for one or more pay periods or to change a supplemental payment that has already been processed. All staff supplemental payments must be in accordance with the policy outlined in the NKU Staff Policy & Procedure Manual. Form initiators may only create payments for employees within their organizational structure.

On the PAR screen, click the INITIATE icon to create the Supplemental Payment PAR.

Once **Initiate** is clicked, the next screen that appears is a list of personnel for which the initiator has access to.

The initiator has two options to start the process for the employee.

1. Insert the Employee Pernr in the Filter field. Once the Pernr is inserted, the employee’s name will appear. Once the employee is located, click on the employee’s name or the arrow to choose the process for this employee.

2. Scroll through the list of employees on the screen to locate the employee. Once the employee is located, click on the employee’s name or the arrow to choose the process for this employee.
Below is a list of processes that can be chosen for this employee. In this case, choose **Supplemental Payment**. Click on the process or the arrow, to move on.
