3. Team's Expectations and Goals
4. Set following meetings times

Campus Grant

- Department of Justice Office of Violence Against Women- Grant to Reduce Sexual Assault, Domestic Violence, Dating Violence, and Stalking on Campus Program.
- Awarded in October 2018 and is for 3 years. This is NKU's second round of funding.
- Is designed to:
 - Develop and strengthen effective security and investigation strategies
 - Develop and strengthen victim services and advocacy
 - Create coordinated responses to these crimes (Sexual Assault, Stalking, and Domestic/Dating violence)
 - Establish comprehensive prevention education and awareness programs.
- All grantees must complete the following minimum requirements:
 - Create a coordinated community response team
 - Develop a Comprehensive Prevention Program that at minimum implements a mandatory training for all incoming students, implements a bystander intervention

- program for all students and conducts ongoing prevent efforts
- Implement a discipline specific training for campus law enforcement
 - Implement a discipline specific training program for ALL persons involved in the student conduct and/or resolution process
 - Provide access to 24 hour confidential victim services and advocacy
- The ultimate objective is to establish comprehensive and effective responses to gender based violence on campus- to create systemic, sustainable change.

Coordinated Community Response Team

- Research and practice confirm that the engagement of multiple entities is required to make the changes needed to effectively respond to campus sexual assault , domestic violence, dating violence, and stalking.
- Coordinated Community Response Team (CCR Team) is a multidisciplinary team of campus and community partners that meet regularly to assess, plan, monitor, and evaluate campus prevention and response efforts. The CCR Team is a working group.–not an advisory council. The CCR Team does not discuss individual cases on campus, but focuses on building a coordinated, collaborative, and systemic response on campus
- Responsibilities of the CCRT:
 - Engage key partners (on and off campus) to develop and oversee all aspects of the campus response
 - Develop shared and consistent goals and objectives- a strategic plan
 - Develop, implement, review, and revise protocols, policies, and procedures
 - Ensure all prevention efforts and intervention efforts are consistent, mutually reinforcing, culturally relevant, and inclusive of historically marginalized or underrepresented groups
 - Conduct regular assessment and evaluation, and revise programs and policies accordingly
 - Involve community partners in supporting projects (planning , policy training, curriculum development,etc)
 - Coordinate cross training to improve the CCRT's knowledge
 - Ensure all efforts are rooted in culturally relevant, survivor center, trauma informed approach,
 - Infuse a healthy masculinity framework into it's efforts
 - Develop and oversee a consistent communication strategy

- Ensure your efforts create systemic and sustainable changes in responses to sexual assault, stalking, domestic violence, and dating violence.
- Core TTI team attend TTI's in February, June, and October.
 - Foundations, Skill building and application, and Deeper application and prep for implementation
