Academic Suspension

First Suspension

1. A student suspended from NKU or another institution for the first time for academic reasons is required to remain out of school for at least two full semesters (counting only spring and fall).
2. After serving the period of suspension, a student may be reinstated or admitted to the university.
 - a. To be reinstated or admitted, the student must meet with the dean (or dean's designee) for the student's college or, if the student is "undeclared," the director of Norse Advising, to discuss academic standing and future direction.
 - b. This meeting must occur by August 1 for fall semester, December 1 for spring semester, and May 1 for summer sessions.
3. If the suspended student has remained out of school for more than four years, the student must complete and submit an application for readmission to the university once reinstatement has been approved.

4. Step #2 also applies to students transferring to NKU who are ineligible to return to their previous institution(s) because of academic deficiencies or if they have a cumulative GPA of less than 2.00.

Second Suspension

1. A student suspended a second time is required to remain out of school for at least two full semesters (counting only spring and fall).
2. The student will not be reinstated to NKU except in unusual circumstances and then only if the following conditions are met:
 - a. The student meets with the appropriate college dean (or dean's designee) or the director of Norse Advising if he or she lacks a declared major and obtains a positive recommendation for reinstatement.
 - b. The student submits an appeal letter to the ad hoc group described in (c) below.
 - c. An ad hoc group, consisting of the dean (or dean's designee) from each of the undergraduate colleges plus the director of Norse Advising, approves the student's request for readmission.
 - d. Steps (a) through (c) are completed by August 1 for fall semester, December 1 for spring semester, and May 1 for summer sessions.
3. If reinstatement is approved, the student must then complete and submit an application for readmission to the university.
