PRESIDENTIAL REPORT (INFORMATION ONLY)

I. POLICY STATEMENT

To meet “regular” admissions requirements, first time freshmen and transfer students with fewer than 24 earned credits must meet or exceed the following academic standards:

- 20+ ACT Composite; 18 ACT English, 18 ACT Math; 18 ACT Reading; *PCC requirements met, **2.0 unweighted GPA
- 1020+ SAT Composite (after March 2016) Math and Evidence-Based Reading and Writing; 480 Evidence-Based Reading and Writing (used for both English and Reading admissions standards); 470 SAT Math; *PCC requirements met; **2.0 unweighted GPA
- 940+ SAT (prior to March 2016) Combined Math and Reading; 430 SAT Writing; 430 SAT Math; 450 SAT Reading; *PCC requirements met; **2.0 unweighted GPA

* *PCC=Pre-College Curriculum Requirements* is defined as follows: 4 credits of language arts; 3 credits of mathematics, social studies and science (with one lab); and 2 credits of the same foreign language.

** *Students who are admitted with a 2.0-2.49 unweighted GPA must enter into a learning contract prior to enrollment.*

If the student does not meet the standardized test score or the PCC requirements, it is considered a “deficiency.” Students with one or more deficiencies may be considered for conditional admissions.

Students who have not successfully completed two years of the same foreign language will have a foreign language deficiency recorded in NKU’s system of record; however, this deficiency **will not count** as an admission deficiency for the purposes of admission to NKU. Students with a foreign language deficiency will still be required to take one semester of a world language prior to graduation from NKU.

Students who are 21 years of age or older by the first official day of the full semester in which they are admitted, or who will be turning 21 years of age during the semester they are admitted, are exempt from completion of the PCC and admission standards. They are still subject to CPE College Readiness Standards.

Transfer students with a GPA of at least a 2.0 GPA from a regionally accredited institution and who have 24 or more transferable credit hours are eligible for admission.

Transfer students with fewer than 24 transferrable credit hours will be evaluated by freshman admissions standards.

International students will be admitted to NKU by showing proficiency in English; refer to the NKU Undergraduate Catalog (<https://inside.nku.edu/registrar/catalog.html>).
