

## Standard Class Times

Northern Kentucky University has adhered to a long-standing formula that bases the credit for a course on contact hours per week over the course of a 15-week semester. The basis for 1 credit hour is a 50-minute class once a week over 15 weeks, or 750 hours. Here are the minimum contact hours per semester per credit hour:

- 1 Hour Credit - 750 minutes per semester
- 2 Hours Credit - 1,500 minutes per semester
- 3 Hours Credit - 2,250 minutes per semester
- 4 Hours Credit - 3,000 minutes per semester

Below are standard class times utilized in the past to meet those requirements for a typical 3-hour course and eliminate as much overlap as possible. (Some of the sessions do total more than 2,250 minutes but the framework allows time for class breaks).

The more closely classes adhere to the standard class times, the less conflict for students trying to schedule more than one class in a single session.
