*By signing above, the student agrees that the above information is true to the best of their knowledge. If they have elected to take a new course or to retake a course, they understand that (1) future enrollment in the SBS program is contingent upon the expectation that they will meet or exceed the required 2.00 GPA, and that (2) entry into a class is subject to available seats. Failure to bring their GPA up to a 2.00 at the end of the semester will result in removal from the program.*

*By signing above, the parent/guardian attests to their support of this request.*
