SPOTLIGHT ON:
Norse Advising

Academic advising at NKU is an integral part of the learning process. As such, academic advising is a collaborative effort that encourages students to develop clear educational plans and choose realistic life/career goals. School-Based Scholars who plan to take courses on NKU’s campus are encouraged to meet with an advisor prior to registering for subsequent semesters in the program. However, any SBS student wanting to talk to someone more in-depth about possible majors and how the courses they are taking will apply if they come to NKU as a full-time student are encouraged to make an appointment. To learn more about Norse Advising and to schedule an appointment, visit: https://advising.nku.edu
