SPOTLIGHT:  
Final Exams & Thinking Toward Next Semester
As we approach the end of the semester, stay focused. Remember to communicate with your professors and use your resources. You’re nearly there!

It’s also time to think toward next semester. To those graduating, congratulations! To those returning next year, now is a good time to check your schedule and make sure you are signed up for the correct courses. If you see anything incorrect, report it to your school counselor. Good luck with your exams and have a wonderful summer!
