

**Updated information regarding shuttle bus service at commencement:**

Shuttle bus service will be provided for both commencement ceremonies beginning one hour prior to and following each ceremony. To best ensure access to shuttle service, you are encouraged to park in the following lots:

**Lots E, F, I, K, L, and M:**

- From I-275 eastbound, take the Three Mile Road exit. All traffic will be required to turn right onto Kenton Drive and will be directed to Lots E, F, I, K, L, M, and the Kenton Drive Garage.
- Coming from I-471 southbound to US 27 southbound, turn right onto Martha Layne Collins Boulevard. This becomes Johns Hill Road. Continue on Johns Hill Road through the roundabout and turn right on Kenton Drive to access the parking lots. TANK buses will load between Lots K and L and E and F.

**Disabled drop off at the arena entrance:**

To drop off disabled guests, take the Nunn Drive entrance to campus from US 27 to the roundabout and circle back up Nunn Drive to the entrance to The Bank of Kentucky Center circle drive drop off. After dropping off your guests, you will be routed to the nearest available parking. Please display your handicapped hang tag, if you have one, on your rear view mirror to better enable officers to direct you to disabled drop off and parking. Limited handicapped spaces are available in the Welcome Center Garage on all levels.
