WHAT WE DO FOR YOU

We represent and advocate for NKU staff from all across campus, enacting changes that help make NKU a great place for everyone. Our members come from all across campus, including Academic Affairs, Facilities, Administration and Finance, Athletics, and more!

Here's just some of the work we've done and continue to do:

- Launched Norse Appreciation so we can recognize the good work our peers have done
- Increased our focus on community service
- Moved Staff Congress to a virtual format so that more staff can listen in and take part in the conversation
- Provide scholarships to help cover the cost of tuition for spouses and children of staff members
- Represent staff on a number of NKU committees, including Benevolent Fund, ITAC, Transportation, and Employee Engagement and Wellbeing.

Have a question that you'd like to get answered?

Use our portal to ask (it's anonymous!) and we'll get it in front of the right people. We'll share answers on the website and in the next meeting.

Get involved! Join us for a meeting or nominate yourself in our next election this spring! Find out more at: <https://inside.nku.edu/staffcongress.html>
