

A RESOLUTION OF THE STUDENT GOVERNMENT ASSOCIATION OF NORTHERN KENTUCKY UNIVERSITY, HIGHLAND HEIGHTS, KENTUCKY, REQUESTING THE EXPANSION OF BICYCLE RACKS THROUGHOUT CAMPUS.

WHEREAS: Many students living on campus, as well as those residing in the surrounding community, ride bicycles to class, and

WHEREAS: Students choose to ride bicycles for personal fitness, financial, environmental and/or recreational reasons, and

WHEREAS: There are currently a limited amount of bicycle racks placed on campus causing students to lock their bicycles around columns, benches, and rails not designed for this purpose, and

WHEREAS: An increase in the number of bicycle racks available would create greater opportunities for additional students to choose to ride bicycles to class.

BE IT THEREFORE RESOLVED, on this 12th day of January 2009, that the Student Government Association requests the University Administration to place more bicycle racks throughout the Highland Heights campus and to determine the best locations for placement.
