

A RESOLUTION OF THE STUDENT GOVERNMENT ASSOCIATION OF NORTHERN KENTUCKY UNIVERSITY, HIGHLAND HEIGHTS, KENTUCKY REQUESTING CHARTWELLS AND BUSINESS OPERATIONS AND AUXILIARY SERVICES WORK COOPERATIVELY TO EXAMINE THE FEASIBILITY OF INTRODUCING A DINING OPTION WITHIN THE FINE ARTS CENTER.

WHEREAS: On October 5, 2011, while working a student concerns table for the Student Government Association, Senator Cieslak was approached by multiple students in regards to the lack of a sufficient dining option in the Fine Arts Center, and

WHEREAS: The facility currently has limited vending machine options throughout for student use, and

WHEREAS: Some vending machines do not provide adequate options for students throughout their day, with many complaints in regards to the quality of options, and

WHEREAS: According to Andy Meeks, Director of Northern Kentucky University's Business Operations and Auxiliary Services, refrigerated vending would be a low cost and easily incorporated option, and

WHEREAS: Placing a small barista cart with coffee and warm food options within the facility, would require little overhead and have a large projected return, and

WHEREAS: Such a dining option in the Fine Arts Center would likely be successful due to the similarity to the commercially successful Darwin's Café in the Science Center.

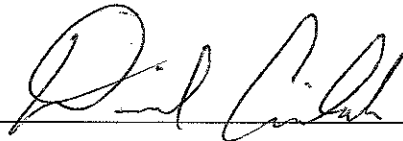

BE IT THEREFORE RESOLVED ON THIS 30th DAY OF JANUARY 2012 THE STUDENT GOVERNMENT ASSOCIATION OF NORTHERN KENTUCKY UNIVERSITY REQUESTS CHARTWELLS AND BUSINESS OPERATIONS AND AUXILIARY SERVICES WORK COOPERATIVELY TO EXAMINE THE FEASIBILITY OF INTRODUCING A DINING OPTION WITHIN THE FINE ARTS CENTER.
