

A RESOLUTION OF THE STUDENT GOVERNMENT ASSOCIATION OF NORTHERN KENTUCKY UNIVERSITY, HIGHLAND HEIGHTS, KENTUCKY, REQUESTING FOR LIGHTING ON NORSE BOULEVARD.

WHEREAS: In the 2009 Master Plan, NKU proposed a connector road between parking garages and Campbell Hall now known as Norse Boulevard, and

WHEREAS: This connector road was designed to make campus travel easier for staff, faculty, and students, and

WHEREAS: The road known as Norse Boulevard is owned and maintained by the Commonwealth of Kentucky, and

WHEREAS: Norse Boulevard has been completed along with a sidewalk, and

WHEREAS: Currently, Norse Boulevard does not have consistent lighting along its sidewalks, and

WHEREAS: We believe this lack of lighting creates a safety concern for any staff, faculty, student, or community member that may use it while it is dark, and

WHEREAS: Due to its status as a state road, NKU does not have the authority to install lighting without permission from the state, and

WHEREAS: We recommend that NKU engage in dialogue with local state Representatives, Senators, and the Kentucky Department of Transportation to get lighting installed along Norse Boulevard, and

WHEREAS: We believe by providing lighting along Norse Boulevard the Commonwealth of Kentucky and NKU can create a safer environment for all university stakeholders who use this space.

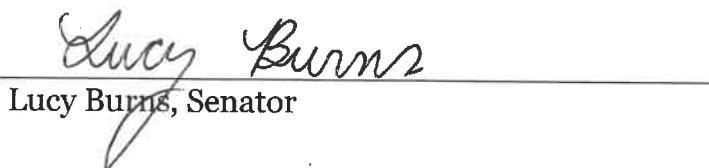

BE IT THEREFORE RESOLVED, ON THIS THIRD DAY OF APRIL 2023 THE STUDENT GOVERNMENT ASSOCIATION OF NORTHERN KENTUCKY UNIVERSITY REQUESTS FOR LIGHTING ON NORSE BOULEVARD.

Signed: \_\_\_\_\_

Daniel Myers, President

Attest: \_\_\_\_\_

Lucy Burns, Senator
