

A RESOLUTION OF THE STUDENT GOVERNMENT ASSOCIATION OF NORTHERN KENTUCKY UNIVERSITY, HIGHLAND HEIGHTS, KENTUCKY, REQUEST THAT NORTHERN KENTUCKY UNIVERSITY WILL SET A WEEKEND IN THE MONTH OF SEPTEMBER AND RECOGNIZE THAT WEEKEND AS 'FAMILY WEEKEND'

WHEREAS: We acknowledge that Family Day is an event that other colleges and universities give their students as a part of their college experience, and

WHEREAS: We believe that developing the Family Weekend will help us show our University's Mission Statement because it allows for 'creative endeavors, all of which empower our graduates to have fulfilling careers and meaningful lives, while contributing to the economic, civic, and social vitality of the region', and

WHEREAS: We believe that the office(s) of Admissions, Alumni Association, and Center of Student Engagement should collaborate with one another to host this event, and

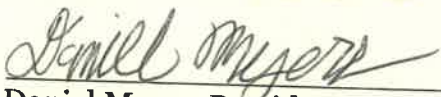

WHEREAS: The students at Northern Kentucky University believe that this would enhance the culture of student life by allowing them to share a part of their experience with their families and loved ones, and

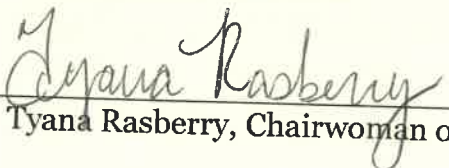

WHEREAS: It gives parents, guardians, and family members the opportunity to visit their loved one and observe their college experience through a student's lens, and

WHEREAS: This event could also help benefit the University's recruitment process by highlighting our campus resources, increasing student engagement opportunities, and allowing shared experiences to prospective students through a current Norse, and

WHEREAS: We believe that bringing this event back is important because it would showcase what makes Northern Kentucky a student's home and share what makes our university different from others.
