

A RESOLUTION OF THE STUDENT GOVERNMENT ASSOCIATION OF NORTHERN KENTUCKY UNIVERSITY, HIGHLAND HEIGHTS, KENTUCKY, CALLING FOR UPDATES TO THE DINE ON CAMPUS APP NUTRITION INFORMATION

WHEREAS: The current nutritional information regarding food in the Student Union (SU), Norse Commons, and Callahan Bistro, in the Dine on Campus App is often incomplete or inaccurate, and

WHEREAS: The student body has requested allergy and nutritional information at all student restaurants be updated on the Dine on Campus App, so that students may be able to more easily select foods that pertain to their needs, and

WHEREAS: We believe that the lack of necessary nutritional information on the Dine on Campus App poses a potential health concern for students who may have allergies or other dietary restrictions including religious restrictions, and

WHEREAS: The mobile app Dine on Campus should be properly updated to provide students with necessary information regarding the nutrition of the food they are consuming so they can be properly informed about **the health** decisions they are making.

BE IT THEREFORE RESOLVED, ON THIS TENTH DAY OF APRIL, 2023. THE STUDENT GOVERNMENT ASSOCIATION OF NORTHERN KENTUCKY UNIVERSITY CALLS FOR UPDATES TO THE DINE ON CAMPUS APP NUTRITION INFORMATION
