Love is in the Air!

Hey NKU Lovelies, we want to see your Valentine's Day/Weekend outfits!

Tag us and we will re-post them on our story for other student's inspo outfit ideas and to spread the love!

Care Closet @ NKU Renovation Updates & Grand Re-Opening

Some exciting new changes are coming to the Care Closet! As you may have noticed, our location at the bottom of UC has been closed for remodeling. Our location has been approved for reconstruction to make the space more accessible to students and more accommodating of new items we'd like to stock. We expect this project to be completed after Spring Break, so make plans to swing back around to see our new and improved Care Closet! You're also welcome to drop in at our temporary location in UC 335.

Important Dates & Reminders

Monday, March 24th, is the last day to drop a full-term course with a W. Please keep this date in mind to avoid unnecessary stress when switching out of a class that just wasn't working this semester.

Did you know? A cotton bag should be used at least 7,100 times to be a truly environmentally friendly alternative to a conventional plastic bag. If you have extra reusable bags at home, consider donating them to the Care Closet @ NKU!

#NKUCARECLOSET

Closet @ NKU will have several racks of clothing for students to choose from, with a combination of all styles available. This event will be very casual, so if you see us, feel free to stop by and grab a few items to stock up. We'll be tabling inside the Student Union 2nd Floor on February 25th and 26th from 10am - 3pm.

Huge thanks to Engage KY & Stego Studio for their support of this program. Engage KY awarded the Care Closet @ NKU with a mini grant that will allow us to purchase the canvas bags for free! We collaborated with the the team in Stego Studio to develop a new Care Closet @ NKU stamp that will be featured on each bag!

Prep Fest was a BLAST!

We attended the second Career Services Prep Fest yesterday and were able to provide students with career-ready clothing, while alumni companies and Career Services helped students to feel confident and ready to get to work!

The event saw ____ students in an effort to prepare them for the upcoming Career Expo on February 19 & 20, where NKU will welcome over **170** employers over the two day event. The event will be located in the Student Union on the first floor and will run from 1-4pm.

February 19th will have employers looking for students in the STEM, Government, and Nonprofit fields, while February 20th will have employers with a Business focus. If you were unable to see us on the 13th at Prep Fest, please stop by UC 335 to find an outfit for the Career Fair and for your follow-up interviews with your next dream job!
