**THIS NOVEMBER AT NKU:**

## Sweaters are *officially* back! What is NKU wearing?

Sweaters are in season! After some drastic temperature changes throughout September and October, Northern Kentucky has seemed to mellow into a more temperate climate. With the arrival of seasonably cool weather comes comfy and cozy fashion. Sweaters, stockings, coats, and boots have all been making waves on NKU's campus. Vintage and thrifted items seem to be the choice for many students. Upcycled and retooled tees have made a comeback, with the early 2000's off-the-shoulder look being an easy and fun way to re-style a worn tee.

### In a pinch? Find Sweaters @ Steely Library

This month, the Care Closet began partnering with Steely Library to provide sweaters to students while they're studying. Students can find sweaters in the Wellness Room on the 4th Floor.

### Care Closet Invited to the Annual Dress for Success Fashion Show & Fundraising Event

On November 1st, the Care Closet @ NKU leadership team got all dressed up for the 25th Annual Dress for Success Fashion Show!

# Reviving Your Closet: Introducing new & returning programs to revitalize your wardrobe

The Care Closet has some fabulous new and returning programs that will be sure to heat up your style game for these cold winter months.

As we break into the holiday season, students are looking for more versatile pieces for layering and unique combinations. The Care Closet **Style Boxes** are a great way to get a personalized look at no cost to you. If you don't have time to stop by to shop for yourself, we can custom match a few outfits for you. The link to sign up is in our Instagram bio.

We're also introducing a new element to our **Free Chest Binder Program**.

This program provides students in need of gender-affirming care access to free chest binders and now free trans-tape, as well! If you are in need of these resources, you can fill out our intake form linked on our website.

Finally, the Care Closet has re-introduced **Personal Appointment** opportunities for student shoppers who would like a bit of guidance when navigating our space, would benefit from one of our student style specialists' fashion input, or who are in need of a sensory-friendly shopping experience. To book, please reach out via our email, [carecloset@nku.edu](mailto:carecloset@nku.edu).

## Veterans Day Celebrations
