

University Curriculum Committee Agenda

Created On: 12/9/2011

1. Call to Order
2. Approval of Minutes

Minutes unavailable

3. Additions to\deletions from the meeting
4. Chair's Report

This agenda is for the email vote only, not an actual meeting. Ballots are due by email to foxr@nku.edu by December 12 at noon. Please review the agenda early this week and email any questions to the original proposers. If you cc the entire ucc listserv (ucc@listserv.nku.edu), it will help the rest of us understand any issues that you have found. The email vote will work as follows: all UCC members will be sent a ballot on the morning of December 9. You will be able to vote on all agenda items as a whole, vote on grouped items (e.g., all items from department X) or vote on every individual item. We need at least 16 submitted ballots to count as a quorum. Of the ballots cast, a simple majority will approve any single item.

NOTE: MUS 291W is an existing course being proposed for general education. In the past, any new gen ed course went through the UCC subcommittee. Now that the Faculty Senate Interim General Education Committee is meeting, they will supplant that subcommittee. The IGEC is meeting on Friday, December 9. I will not know the result of their approval until after the ballots are sent out but we will work under the assumption that it will be approved.
