1. Approval of minutes from 12/03/2020

2. Chair report
   - Do not copy and paste from pdfs into Curriculog. Proofread your forms.
   - Upcoming deadlines for fall 2021 catalog: end of Feb for new programs, end of Mar for all other items
   - Does the UCC need to approve items from Chase? See #3 below.

3. Curriculum items:

   A proposal from Salmon P Chase Department for Law - Legal Studies, M.L.S. was removed from consideration. It was decided by the UCC that unless a Chase item included components outside of Chase (e.g., the BA in Law), Chase items could be handled entirely internal to that college except for new programs which would also require Faculty Senate approval.

   Item 14, Department of Communication - CMST – 403 had too many words in its description. Tracy Songer will fix

   **All items approved, see below**.

4. New business:
   Do we need a new process for temporary curriculum change requests? A small committee was formed to consider it.

5. Other new business
