## 2. Chair report

- Will have a new program proposal at our next meeting (MS in Cybersecurity), it and the BA in Education, Culture and Society should go to senate on Feb 22
- We will meet on the 1<sup>st</sup> and 4<sup>th</sup> Thursdays in March instead of 1<sup>st</sup> and 3<sup>rd</sup>. That last March meeting is the final meeting to get items approved for the fall catalog.
- If you want me (Richard) to look at a form, it would be helpful if you would email me the link to the form so I don't have to look for it.
- We are going to have a change to the gen ed program in that courses can no longer appear in two categories. This impacts 4 courses. Do we need to submit a mass change form to change those four courses are can the change to gen ed program form (which lists these changes) suffice? (UCC indicated that the single form was sufficient).
- Not mentioned in the meeting but a meeting between David Tataw and the faculty in BIS over possible duplication of courses in the MSHA program resulted in no duplication found and so the MSHA program can move forward as is.
