1. The minutes from 02/18/2021 were approved.

2. Chair report

- Our next meeting will be Thursday, March 25 (4th Thursday) and this will be the last meeting to get items approved for both the undergraduate and graduate fall 2021 catalogs.
- Program changes do not need to go through faculty senate unless they involve a substantive change. Do not select the Faculty Senate box on the form unless you are sure. Check with Richard if you are unsure or have questions.
- The Gen Ed Committee requested that we eliminate the separate "new gen ed course" form and so Connie folded the gen ed questions back into the new course form and the course change form. If you are creating a new course and you want to request that it be a gen ed course, just fill in the new course form and if you want to request that an existing course be a gen ed course, just fill in the course change form.
- If you have similar changes you are making to multiple courses or programs, talk to Richard about ways to reduce the amount of forms you have to fill out.

3. Curriculum items:

Item 13 in the list below is from the School of Nursing, NRS-215P. There was discussion in the committee about an erroneous course reference (for one of its prerequisites). The proposal was modified during the meeting and was passed by a separate vote.

All other items approved without revision, see below.

4. New business:

5. Other new business

6. Adjournment

Proposals

1. Department of Communication - Journalism, B.A.
2. Department of Communication - MIN - 245
