1. Minutes from 2/16/23 approved

2. Chair report:

- Announcement: New focus description approved by Faculty Senate and has been approved by Abdou. Abdou reported that the Provost would not disapprove.
- Integrative Studies use of the Focus has been changed by Rudy Garns because of the new definition.
- Richard Fox discussed sending the approved Focus description for possible action by their part, specifically to add information about Foci to the narrative section(s) in the catalog. If they want to include a minimum grade requirement for courses leading to Focus, send that information to Richard Fox so that he can collect it and send it to the registrar. There is already a minimum GPA requirement of 2.0 for the courses that make up a Focus. Chairs are encouraged to email Richard for questions re: grade change for focus. Other questions may be emailed to Registrar Office.
- List of Foci already implemented in SAP were provided for departments to review.
- Reminder, the next UCC meeting is March 23.
- Richard noted that there were going to be many curricular items for that meeting and members should begin reviewing them early.
