1. Minutes from October 3, 2024 Email vote approved
2. Chair Report
 - a. This is the last meeting to get course changes approved with the changes indicated in the spring schedule of classes (e.g., prereqs, name changes). We can still approve course changes but they won't be reflected in the courses offered in the spring.
 - b. The recommendation we approved in September goes to senate at the end of this month (it was postponed a month because of a heavy schedule last month). I expect the senate to approve it but then I have no idea what the provost will do with our recommendation. I will keep you updated.
 - c. Check your catalog copy to make sure everything was implemented, we have found some omissions especially in course changes.
 - d. In the spring, we approved a course change for MSN 610. It included a change to the course title but this was not indicated in the checkbox or in the justification. With your approval, we will accept the name change and have this updated in SAP immediately. (approving it in this way was approved by the chair of the CHHS committee, their associate dean and Sheena Brooks of grad council).
 - e. moved EDU 524 first followed by the two SMC items in the agenda.
 - f. Dr. Anne Sahingoz agreed to serve as AAP representative
