1. **Minutes** from 2/6/25 approved

2. **Chair report:**

- EGT 100 removed from agenda by Department of Physics, Geology, and Engineering Technology for further consideration
- The university is undergoing a search for the registrar. They are looking for a UCC member to serve.
- 3/6/25 is the deadline for new courses and course changes of courses in the summer and fall schedules.
- 3/27/25 is the deadline for all other items for the fall catalog. Note that this second Thursday meeting is in the 4th week instead of the 3rd (because of spring break).
- Next year we will move these deadlines to February so that advisors will be aware of changes prior to the beginning of advising.
- IT's listservs are being migrated to a different platform and the UCC listserv will have an address of UCC@mymailnku.edu.

4. Old Business

- The UCC bylaws state that chairs of the college curriculum committees are selected by the UCC and not by the college curriculum committee members. He proposes modifying the UCC bylaws to indicate that the rules for college curriculum committees will be governed by their own bylaws (CHHS already has their own). Richard has requested volunteers to help him create bylaws for Informatics, A&S and Education (he suggested that COB write their own because COB selects both curriculum committee chairs and members in a different way from the other colleges). Once completed the revised bylaws for UCC and new bylaws of Colleges who needed to create them, will be sent to Faculty Senate.

5. New Business

- Announcement by Hallie Sylvestro: emails have gone out to Program and Department Chairs/Directors to participate in a survey on Modality (on-line) versus face-to-face courses. Please remind your Chairs, Directors, or Program heads to complete this survey in preparation of a report on modality which will ultimately influence policy changes.
- Reminder SLO's can be changed at any time as they are not part of the catalog and so do not have the same deadline.
- Reminder: March 27 will be a big meeting.
