_____

1. **Minutes** from 11/21/24, 12/5/24 and 1/16/25 (the last two were email only votes and not full meetings) approved

2. **Chair report**:
   - We had previously approved the new course HSR 375; they wanted to update the SLOs before they taught the course. Chair approved these updates and modified the form directly without passing this through the process. See https://nku.curriculog.com/proposal:6840/form for the updated SLOs.
   - University is undergoing a search for the registrar. They are looking for a UCC member to serve. Are any of you interested?
   - 3/6/25 is the deadline for new courses and course changes of courses in the summer and fall schedules.
   - 3/27/25 is the deadline for all other items for the fall catalog.
   - Move deadlines to earlier next year so that possible prerequisite changes won't impact students registration.
   - Note that our second March meeting is the 4th Thursday (because of spring break).

4. New business
- Discussion of our bylaws, specifically how we choose college curriculum committee chairs (according to the current bylaws, the college committee chairs are elected by UCC members but the practice is to select the chair by the college committee members). Should we update the UCC bylaws to correct this or should we refer to individual college committee bylaws (CHHS has their own)? We will continue this discussion later in the semester.

5. Adjournment

Respectfully submitted,
KAK
