---

1. Approval of Minutes from 3/06/2025

2. Chair report

- ARTV 215 and ARTV 217 classes had a prerequisite that included minimum C+, this was probably removed around 2019 but there was no curricular form to support that. Chair queried committee if they could vote to remove it without going through the complete curricular process. -- No objections.
- Two late additions PAD 230 and DMP program change and Marketing 375 updated Tuesday. Committee requested to consider these as well. The committee agreed.
- Two meetings for April to discuss UCC Bylaws. Will review current drafts and College bylaws.
- Reminder that if you have changed SLO's this semester in Curriculog you should post those changes on SLO Bank.

3. Curricular items approved unanimously (see below)

- Department of Physics, Geology, and Engineering Technology - EGT - 366
- Department of Physics, Geology, and Engineering Technology - EGT – 392
- Department of Physics, Geology, and Engineering Technology - Mechanical and

- School of the Arts - Music - Music Education, B.M.E.
- School of the Arts - Music - Music, B.A.
- School of the Arts - Music - Performance, B.M.

#### 4. Old business

- Richard has revised the UCC bylaws and will share them with the UCC at our next meeting. The colleges are all working on College CC bylaws for approval by UCC in April. As the next meeting is in one week, we will cancel it and handle the UCC and CCC bylaws in the last meeting (April 17).
- If you have modified any course SLOs or submitted new courses and have submitted your SLO repository, please update it and submit it to Richard for uploading. If your department has not created an SLO repository, please encourage them to work on it.

#### 5. Adjournment

Respectfully submitted:  
kkattus
