1. Approval of Minutes from [2/20/25](#)
2. Chair report
 - Items not approved by our March 27 meeting will not make the Fall 25 catalog.
 - Two courses approved in 2023, BIO 474 and 474L, had mistakes in the forms indicating incorrect classroom/lab hours. Can we correct these without resubmitting? Yes, the UCC approved.
 - In April, we will revisit the UCC Bylaws
3. Curricular items approved unanimously (see below)
 - In addition to the items below, the following four items need to go to graduate council but because of our March 6 deadline, we will handle them in the UCC first (to be approved contingent on GC approving them in their March 20 meeting): [MHI 815](#), [COU 601](#), [COU 654](#), [COU 671](#)
 - These items were added on 3/3/25: BIO 158, BIO 208, Minor in Educational Studies, with the UCC's permission, we will add these to the agenda
4. Old business: update on UCC and CCC bylaws
 - Richard has revised the UCC bylaws and is sharing them with other programs and directors. Other schools and Colleges should plan to revise their bylaws and hopefully be prepared to submit them to UCC for approval in April.
