## JANUARY 11 SEES US IN LANDRUM 110

We return to Landrum 110 on January 11, 2020 for our meeting, starting at 9:30 a.m. and ending at 3 p.m. We're looking forward to an intriguing day. If NKU closes on January 10 or 11 (due to weather conditions), we will cancel the meeting. We will either let students know at school through the teachers and counselors who work with us or through a text.

*Thank you so much to all our students and their parents for generously participating in our Holiday Wish List Activity. We were able to deliver many gifts to the Office of Parents Attending College. The families that we worked with had children that ranged in age from one and a half to nine. Ages that look forward to a visit from Santa. It seemed that all the Upward Bound students enjoyed shopping and/or wrapping; and Eric, Brenda, and I also were glad to be part of this project and to join the students and Be On Santa's Team!*

## ROUND-UP AND PICTURES OF DECEMBER 7

We were humbled by the generosity, kindness, team work, and good cheer that our students displayed during the December 7 meeting. Our students and their families provided an amazing array of gifts to NKU student parents in need at this time of year. We were proud to have been a part of this community service activity.

The creative art project exceeded our expectations through the student's excitement and competence.

The Holiday Trivia competition came back in style with all twelve teams committed throughout the three rounds of play. The top teams in the end were Honorable Mention: Aubrey Bram, Brendan Boyle, Trinity Richards; Runners Up: Elizabeth Sullivan, Caroline Turner, Josh Brummett, Taiyler Thomas; Winners: Juan Calderon, Atalya Lewis, Samuel Ratliff, William Stickley.

Here are pictures of the many activities through the day.

Winners: Juan Calderon, Atalya Lewis, Samuel Ratliff and William Stickley

Runners Up: Elizabeth Sullivan, Caroline Turner, Josh Brummett and Taiyler Thomas

Honorable Mention: Brendan Boyle, Trinity Richards (Aubrey Bram not pictured)

# STUDENT SPOTLIGHT

Addy Crouch is a sophomore at Pendleton County High School and a member of this year's incoming group of Upward Bound students. We'll get to know her a little better by learning how she answered a few questions.

If I had an extra \$50, I'd . . . save it.

I've often been known to consume large quantities of . . . gold fish.

My friends enjoy me because . . . I'm funny.

I wish I could be . . . at several places at the same time.

I'm disappointed when . . . I know I can do it but did it wrong.

My family is . . . crazy, chaotic, fun, amazing.

One thing I'd like to figure out about myself is . . . if I'll be good in college.

I hope people see me as . . . positive energy.
