MARCH 7—WE’RE IN SCIENCE CENTER 201 FOR TEAM DAY

The Saturday, March 7 meeting will begin in **Science Center 201** (this is where we were for November’s meeting). We’ll start at 9:30 a.m. and end at 3 p.m.

We will be going over to the Campus Recreation Center in the morning for Basketball, Giant Pink Volleyball, and Wallyball. Try to bring gym shoes or wear non-black soled shoes while playing in the gym. In the afternoon, teams will play a number of critical thinking games. This has been a very popular meeting in the past so we hope students are able to attend this year.

NKU College Student Mentors visited February 8

We were fortunate to have seven NKU students—Levi, Cierra, Simona, Savannah, Kaitlyn, Sarah, Aniya—share their advice, collegiality, and wisdom the afternoon of February 8. They shared their backgrounds and how they chose NKU.

*All have considered and changed their majors while in college, but emphasized taking different classes and finding something they really liked or could be passionate about.

*Other points included: “College is about showing up and asking for help”; “I knew college would be hard,” but campus counseling and prayer helped; Get connected to other students through campus organizations, visit faculty during their office hours, and consider an on campus job.

*Time management is vital. They recommended timed reminders on phone, campus app notifications, planner, and sticking to a time plan. Set homework time and do it. Know if you’re a day or night person for studying. They said to be real about set goals and remember to schedule meals and sleep.

We thank these NKU Student Mentors!

PICTURES FROM THE FEBRUARY 8 MEETING

Here are pictures of the various activities from the February 8 meeting. It was cold and snowy, but many showed up!

FIRST SEMESTER HONOR ROLL: We're very proud of all our participants and were amazed at how many earned spots on the Honor Roll for the first semester. Here are pictures of many of them receiving gift cards for their hard work at the February meeting.

STUDENT SPOTLIGHT

It's always reassuring when we hear that college is a plan that you take seriously. So, it was good to see Alondra Aquirre, a sophomore from Lloyd High School, indicate that she'd save her extra \$50 for college expenses. Other facts about her are:

I can often be seen wearing . . . T-shirts or off the shoulder shirts.

My friends enjoy me because . . . I'm annoying and because I'm funny.

I've been known to consume large quantities of . . . hot Cheetos.

I wish I could . . . be more talkative with people and be less shy.

I'm disappointed when . . . I can't make someone smile.

Three things I want to do in my life are: 1. Become a lawyer 2. Be in law school at NKU 3. Visit Mexico.

A positive influence in my life and why has been . . . my brother because he has helped me and encouraged me a lot.

STRAIGHT "A" HONOR ROLL STUDENTS:

THINKING CORNER

During March, we celebrate St. Patrick's Day. For this month's brain work, we have a few questions associated with this holiday. Call 448-8930 with your answers. May the luck of the Irish be with you!

1. What food is traditionally eaten on St. Patrick's day by many Irish-Americans in the United States?
2. What is the nickname for Ireland?
3. How many leaves does a shamrock have?
