DECEMBER 5—OUR HOLIDAY MEETING

Yes, it's strange to think about Holiday Celebrations online, but 2020 is a year unlike any other in recent memory.

We will be online for the Saturday, December 5 meeting. Savannah and Levi will also be joining us. We're going to hold ONE SESSION this meeting because of our Holiday Trivia activity. That means Seniors, Juniors, and Sophomores will all meet at 9:30 a.m. on December 5. We plan for the meeting to last until 11:30 a.m. Please wear a holiday themed sweater that morning and put your camera on if possible.

Eric will text students the zoom meeting ID number and Passcode Monday, November 30.

GREAT TO SEE SO MANY ON NOVEMBER 7:

We were pleased to see so many students during the November 7 meeting where we learned about Introverts and their importance. Students identified if they were more of an introvert or more of an extrovert and how they like to be treated by teachers. Thanks to Savannah for leading everyone in Among Us, which certainly engaged everyone.

Before most of the schools went virtual, Judy and Eric enjoyed visiting students and delivering stipends. We've tried to keep in contact by newsletter and text, but if you need us, our numbers are: Judy 859-760-0853, Eric 859-750-0259.

SUMMER RESIDENTIAL COMPONENT FOR SOPHOMORES:

We hope and will plan for a Summer Residential Component at NKU. Our tentative dates are Sunday, June 6 for move in and we'll conclude with the Awards Dinner and move out on Friday, July 9.

There will be a one week independent study prior to June 6; students will receive their assignments in May.

Parents of Sophomores—Please schedule vacations for after July 9. We will keep you updated if we have to do an online Summer Component.

STUDENT SPOTLIGHT

This month we meet a student from Newport High School. Caroline Turner will graduate in 2023. We will hopefully have more in person meetings to get to know her better, but for now we learn from her comments on our survey.

If I had an extra \$50, I'd . . . give it to the homeless.

I've been known to consume large quantities of . . . candy.

In my earlier days, I was known as . . . spoiled.

Once people get to know me, they're probably surprised to find I'm . . . adopted.

I wish I could . . . fly.

I'm disappointed when . . . I get math questions wrong.

Three things I want to do in my life are: Bowl, Act, Cook.

The thing I'm most proud of is . . . my ability to ignore the haters.
