# STUDENT SPOTLIGHT

This month the spotlight is on Simon Kenton senior, Sarah Lawrence. Sarah is a gifted artist and recently won a Silver Award in the Scholastic art contest. In addition to her artistic ability, Sarah has a great sense of humor. Let's find out more about her.

If I had an extra \$50, I'd . . . go straight to American Eagle.

I've been known to consume large quantities of . . . cheese.

I feel I've really accomplished something when . . . I smile.

Three things I want to do in my life are: 1. Travel the world. 2. Graduate college. 3. Become president.

A quality I most admire in other people and why is . . . humor, because I like to laugh.

A positive influence in my life and why has been . . . Levi. He has such an encouraging attitude.

One thing I'd like to figure out about myself is . . . why can't I spell.

The thing I'm most proud of is . . . my academic accomplishment.
