SPRING MEETINGS

April 9: 9:30–3:00 p.m.

This meeting is for all sophomores and juniors and any senior who would like to attend. We will be visiting Morehead State University. When you arrive, look for the Queen City Bus in Norse Circle (the circle in front of the cafeteria where we have lunch). We must leave at 9:30 so don't be late. We'd hate to leave anyone behind.

May 14: 9:30–11:30 a.m.

This meeting is for sophomores and at least one parent. We will be discussing the summer program and is a required meeting for those attending this summer. By the end of April, you will receive a packet of forms to complete. You will bring these forms to the May meeting. At this meeting you will also meet the summer Resident Assistants and the summer faculty. At the end of the meeting, you will have the opportunity to go to Norse and see an apartment where you will be living for 5 weeks.

MARCH TEAM DAY ROUND-UP

Students were back on track in the beautiful Campus Recreation Center and in the Landrum classrooms for an exciting Team Day! In the morning, the six teams played basketball, volleyball, and many really liked Wallyball (volleyball played on a racquetball court, which used to be NKU's signature intramural sport). After lunch at Norse, the teams played a variety of board and critical thinking games.

The top team for the event consisted of Ronaldo Zapote, Laurence Bram, Payton Mastin, William Stickley (and Mary Rogers in the morning). After a sudden death question, the runner up team members were Abbigail Miller, Logan Fulmer, Alexis Sester, Aubany Robertson, and Isabella Reis. Great job to all of the participants that day for the positive attitudes!

Student spotlight

Diamonique Barnett is a junior at Lloyd Memorial High School. She's interested in becoming a criminal profiler, a lawyer, or a psychologist. Other things we know about Diamonique are:

Once people get to know me they're probably surprised to find that . . . I'm very athletic.

I'm disappointed when . . . my grades drop.

I feel I've accomplished something when . . . I learn something new.

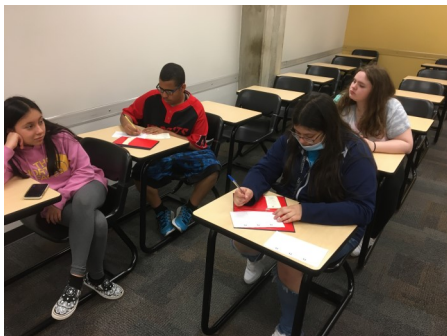

I hope people see me as . . . a person they can turn to.

What do you think will your most enjoyable class this year . . . NKU History 102.

What do you think will be your most difficult class this year . . . AP Lit.

MORE PICTURES FROM MARCH 19TH

Teams had fun playing Pictionary and Scattergories among many games on March 19th. The March meeting is one of the highlights of the year. Many thanks to our assistants Jalyn Collier, Emily Ferry, and Brooklyn Rice. They made the day run smoothly. We witnessed friendly competition and lots of fun.

THINKING CORNER

Think this through and let us know your conclusion. Call 859-448-8930 and give your answer, your name, and the time of your call.

Forrest left home running. He ran a ways and turned left, ran the same distance and then turned left again, ran the same distance and turned left again, ran the same distance and turned left again. When he got home, there were two masked men. Who were they?
