Northern Kentucky University considers absences in response to military obligations as excused absences to all military students from all countries. This form should be used if you are an active duty, reserve, National Guard, or ROTC student, and find it necessary to withdraw from any or all classes. \*Instructor's reference: Use of this form is only required when a complete or partial withdrawal occurs. Accommodations may include assisting the student in arranging a note-taker for the course, and/or allowing access to lecture notes online for missed lectures, pushing back due dates for all graded work to allow the student a reasonable amount of time to complete assignments, quizzes and tests, allowing an incomplete grade with deadlines and expectations for completing the course, or allowing online access so that the student may intermittently work on the class while on active duty (if possible). Any accommodation that does not result in withdrawal must be separately acknowledged by agreement and signature of instructor and student.

Copy of official military documentation (paper, electronic orders, unit memorandum) must accompany this form.
