Advising

You've nearly made it through the semester. You've one last hurdle to jump: the final exam. Study and work smart (aka, use those study techniques instead of cramming), fuel your body and mind with good food and water, and get plenty of sleep. Communicate with your instructor if you have questions. Use your resources such as tutoring or studying with friends.

It's also time to think toward next semester. Registration begins in a couple of weeks (as mentioned in the dates above), so be sure to check your schedule soon. If you see anything incorrect, report it to your school counselor.

Events and Reminders

Please note: Some events may require an NKU ID card in order to attend free or at student rates. You may obtain an ID card by visiting the All Card office located on the first floor of the Student Union.

Here you can find a map of our campus.
